Dear Family in Christ,

My prayers are with you during this challenging time. Maybe this could be a time for cultivating more prayer as a family in the home. We have links on our website and FORMED is a great Catholic resource, also on our website. We ask God to keep your families safe and healthy. To remind ourselves that we are called to keep the heart of Christ with us, no matter what situations we face in life. Especially those brought about by the brokenness of this world.

I hope that you can understand that the Church is trying to protect us from physical harm in this life. Reflecting upon St. Joseph who was called to protect his family from the physical danger of King Herod, by moving his family to Egypt. Away from proximity to Jerusalem and the Temple. How hard that must have been for the Holy Family.

I continue to keep you in my prayers and private Masses. May God bless your persistence in faith and perseverance in His Almighty Love. Amen.

With prayers and blessings,

Fr. Rosenbaum
